Next Steps:

Rolling Applications should receive a response within 2 weeks. Summer Session residency applications will receive notification in January 2020.

Accepted artists will be asked to confirm their acceptance. We'll send on an artist agreement outlining dates, workspace, any supports agreed upon, along with our residency handbook. Artists return the signed agreement and make a 50% deposit (or 30% for stays over one month) to hold their place. The balance is due at the start of the residency.

Send me a copy of my responses.
